This is to certify that I have reviewed the MOOC as detailed above and I further certify that

- (i) The MOOC is in accordance with the UGC's model curriculum/CBCS structure including all recent developments in the field
- (ii) The course content is thoroughly checked for accuracy in data, content (textual, graphical and video) and that nothing is inflammatory/inciting in the content vis-à-vis gender, religion and the nation etc.
- (iii) The overall MOOC structure is satisfactory. The modules have been put in logical sequence in the week-wise structure.
- (iv) The content submitted as per 4-quadrant as specified in UGC/MHRD guidelines
- (v) The static, video content, assessment and suggested supplementary reading together overall learner engagement time justifies the award of credits for the course.
